CRUSADE FOR STRINGS

The purpose of Crusade For Strings is to encourage performance and appreciation of string music among members of the Pennsylvania Federation of Music Clubs who, in turn, should introduce Crusade For Strings in their communities. The goal should be to organize performing string ensembles or orchestras in every community in Pennsylvania.

The State Crusade For Strings Chair is to urge local organizations within the state to have a Crusade For Strings Chair in their organization who would include string programs involving speakers, workshops, or performers.

Each club in Pennsylvania should have a Crusade For Strings Chair to promote club programs, community programs, and involve young people in string programs and concerts.

Each club should seek outstanding students and give them information regarding NFMC auditions and awards and have well-qualified string teachers as judges for string entries at all levels in Festivals and all other Federation auditions.

Send your reports to me by ***April 1*** at the address above.

Sincerely,

Linda Flick
