

## MARCH 2020 - PRESIDENT'S NEWS

Warm Greetings to All!

This was absolutely a gorgeous day and I hope you had the opportunity to enjoy it. The April PFMC Convention is quickly approaching, and this email contains important information you will need in preparation.

The Official Call and Registration Form are attached. Both documents are also coming in the PFMC Winter News Sheet along with a special invitation from Convention Chair, Priscilla Day and Co-Chair, Linda Flick. Be sure to read all convention information including the bylaw proposals. The News Sheet will be mailed this week.

In January, PFMC Board members and PFMC Senior Clubs received forms for Convention Donations, Ads for the program book and Donations for Festivals Competition Awards. I realize that some of our Senior Clubs are meeting in March for the first time in the new year. Please talk about the requests and decide what your Senior Club might be able to contribute to the 2020 PFMC Convention and the Festivals Competition. The due date for the forms has passed so please return at your earliest convenience. Your contributions are GREATLY appreciated!

Carol Mixer, our designated Choir Director will once again be leading volunteers through a few rehearsals and a choral presentation on Saturday, April 25<sup>th</sup> prior to lunch. Please remember to indicate your willingness to participate on the bottom section of the Registration Form.

I will be compiling a Necrology List for the convention memorial service. Please send names of club members who have passed since April 2019.

Senior Clubs who brought Achievement Books to the Fall District Conferences will receive \$25 award for the 2018-19 books. This was voted on and approved by PFMC BOD as an email vote. The checks will be presented at the convention.

2019 National Music Week Certificates of Participation were sent to me after the District Conferences last fall. I will distribute the certificates at the convention.

The theme for 2020 PFMC Biennial Convention is "*PFMC...The Musical Star of Bethlehem*". Music is why we exist – it's what we're about. Make every effort to attend the 2020 Convention and add your musical variation to a grand composition penned by all PFMC members.

*Linda Maurhoff*  
*PFMC President*
