The PFMC is a music organization that is just over 100 years old. Our purpose is to promote American composers and encourage American musicians to reach their highest potential. PFMC is federated through the National Federation of Music Clubs, the largest philanthropic, non-profit music organization in the United States.

The PFMC Festivals Competition is open to Juniors (through age 18) who participate in the 2022 Festivals and meet all requirements listed below. The purpose of this competition is to offer Festivals entrants the opportunity to take their music to the next level and compete for money awards. Our goal has been to see this program expand each year to include more events and host the State Competition in central location in PA. This year the East vs. West Regional winners will compete in Williamsport, PA. on Saturday, April 30th.
