CELEBRATE STRINGS

The purpose of Celebrate Strings is to encourage performance and appreciation of string music among members of the Pennsylvania Federation of Music Clubs who, in turn, should introduce Celebrate Strings in their communities. The goal should be to organize performing string ensembles or orchestras in every community in Pennsylvania.

The State Celebrate Strings Chair is to urge local organizations within the state to have a Celebrate Strings Chair in their organization who would include string programs involving speakers, workshops, or performers.

Each club in Pennsylvania should have a Celebrate Strings Chair to promote club programs, community programs, and involve young people in string programs and concerts.

Each club should seek outstanding students and give them information regarding NFMC auditions and awards and have well-qualified string teachers as judges for string entries at all levels in Festivals and all other Federation auditions.

Send your reports to me by **April 1** at the address above.

Sincerely,

Linda Flick
