## FOREWORD

This is an abbreviated "history" of PFMC compiled mostly as a convenience to Board members. The first section contains the names of every person whose name appeared in the PFMC Roster & Directory in the 20 years from 1990 through 2012 along with their respective offices and/or responsibilities. Certain terms were changed over the years (ex. Junior Festival became just Festival, etc.); these changes will appear as they arose. It is my hope that you will make use of this information from time to time.
