Hello,

I am Donna Hensler, PFMC Chair for Chamber Music

I encourage you or a designated person from your club to revisit your programs ranging from April 2026 through March 31, 2027 and document any chamber music performances that were programmed for your club. It is my privilege to pass that information on to our National Chamber Music Chair. Chamber music may range from trios to small groups of instrumentalists.

If you can make digital copies of any printed programs or publicity to accompany your report, please send those along to me. Note: do not send physical paperwork through the mail.

I encourage you to go online:

<https://www.nfmc-music.org/wp-content/uploads/2017/03/AR-2-1.pdf> to fill out your report on a fillable form or you can print out the pdf that I will attach below.

- Reports should be completed and sent to me by April 1, 2027

*Please note that I would like to receive a report from you, even if you report that your club did not include chamber music on your programming.

Thank you and I look forward to hearing from your club!

Making music together!
Donna Hensler
