

SENIOR ACHIEVEMENT RECORD BOOKS

Hello Presidents and Achievement Record Book Chairs!

You are encouraged to consider creating a Senior Achievement Record Book for your Club. Achievement Books provide tactile record of your Club's activities during the year and serve as a reference for those who attend your programs and meetings.

Senior Achievement Record Books chronicling your *previous* season is typically shared at Spring Board meeting. As meetings are transitioning to ZOOM, digital pictures of your book cover and some highlights from the book may be sent to the PFMC President. They will be shared with PFMC Board members.

All Clubs participating in this activity will be ***recognized and awarded \$100.00 for their Club***. Listed below are some suggestions to consider when compiling your book.

- Include all Club activities from September 1 through August 31.
- Name of your Club is on the front cover.
- Chair/Compilers name(s) and number of Club members.
- Contents may include rating sheet, musical events and programs, community activities, news articles, National Music Week participation, Parade of American Music participation, Festival participation, awards, recognitions, and pictures.

Have fun and be creative!
